

**INTEX**<sup>®</sup>  
MILLWORK SOLUTIONS

## Dark Paint Caution

If you choose to paint your INTEX Millwork Solutions product, INTEX recommends the use of premium grade acrylic paints with solar reflective pigment. Preferably paints designed for use with PVC products. Please contact your local paint dealer for professional assistance.

Due to the inherent expansion and contraction characteristics of PVC, INTEX PVC millwork products should only be painted colors with an LVR (light reflective value) greater than 55. Use of darker colors may cause damage due to excessive expansion/contraction, and will void the product warranty.

## Cleaning Instructions for INTEX Millwork Solutions Products

Cleaning all INTEX Millwork Solutions products are easy and fast with most major household cleaners. There are many cleaners on the market and the glass cleaners seem to be the best candidate for keeping the finish looking great. The cleaning solution should be applied and immediately wiped dry. As with any cleaning material, the cleaning solution should not be left to stand on the components for an extended period of time.

### **INTEX recommends the following cleaners:**

|  |  |
|--|--|
| 409 Glass and Surface Cleaner <sup>®</sup> | Fantastik Oxy Power Multi-Purpose Cleaner <sup>®</sup> |
| Clorox Clean-Up <sup>®</sup>               | Glass Plus <sup>®</sup>                                |
| DeckMAX <sup>®</sup>                       | Regency <sup>®</sup> (Glass and Surface)               |
| Fantastik All-Purpose <sup>®</sup>         | Spic & Span Cinch <sup>®</sup>                         |
| Fantastik Orange Action <sup>®</sup>       | Windex <sup>®</sup>                                    |

### **What to Avoid**

Harsh cleaners with glycol ethers or ethanol type solvents and/or isopropyl alcohol are not recommended. Examples of these harmful cleaners are Goof Off<sup>®</sup>, Wal-Mart "Great Value All Purpose Cleaner<sup>®</sup>" (glycol ether), 409 General Purpose<sup>®</sup> (2- Butoxyethanol) and Greased Lightning<sup>®</sup> (glycol ether), citrus cleaners, abrasive cleaners, and solvents such as acetone, paint remover and lacquer.
